ROUTE DESCRIPTION

This is an ideal route to enjoy some of Southport’s best landmarks and it is clearly signed in both directions.

You will pass beach cabins, home of the Shrimpers of Southport at the southern end of the route. Along the sea front you will have views out to the Irish Sea and pass a variety of interesting sculptures including the Trans Pennine Trail’s Sea Mark. You will pass under the second longest pier in Britain, with its cafes and penny arcades.

You will pass the Marine Lake, home to a variety of watersports and the Southport Belle, a Mississippi style paddle steamer, and through Kings Garden, the home of the model railway village.
